FEED GREATNESS®

Showpig Paylean® 900

Guaranteed Analysis:

ACTIVE DRUG INGREDIENT:

Ractopamine Hydrochloride.....900 g/ton

NUTRIENT	LEVEL
Crude Protein (Min)	20.00%
Lysine (Min).....	1.50%
Crude Fat (Min).....	5.00%
Crude Fiber (Max).....	5.00%
Calcium (Ca) (Min)	1.60%
Calcium (Ca) (Max)	2.10%

NUTRIENT	LEVEL
Phosphorus (P) (Min)	1.00%
Salt (NaCl) (Min).....	0.01%
Salt (NaCl) (Max).....	0.51%
Sodium (Na) (Max).....	0.51%
Selenium (Se) (Min).....	0.10 ppm
Zinc (Zn) (Min).....	850 ppm

Directions:

Thoroughly mix High Octane® Showpig Paylean® 900 Type B Medicated supplement into a complete swine ration containing at least 16% protein according to the following directions:

Recommended Daily Feeding Amount (oz/day)

Non-Medicated Showpig Feed	High Octane® Showpig Paylean® 900	Resulting concentration of Ractopamine HCL
5 lbs 15 oz	1 oz (1 scoop)	9.0 grams/ton
5 lbs 15.5 oz	½ oz (½ scoop)	4.5 grams/ton

Use the enclosed 1 ounce scoop to measure High Octane® Showpig Paylean® 900 supplement. Thoroughly mix 1 level scoop into a total (feed and High Octane® Showpig Paylean® 900 supplement) of 6 lbs feed containing at least 16% crude protein until evenly distributed to produce 9 grams/ton ractopamine HCl (Paylean®) concentration. Note: Do not exceed mixing scoop directions.

WARNING: The active ingredient in Paylean®, Ractopamine Hydrochloride, is a beta adrenergic agonist. Individuals with cardiovascular disease should exercise special caution to avoid exposure. Not for use in humans. Keep out of the reach of children. The Paylean® formulation (Type A medicated article) poses a low dust potential under usual conditions of handling and mixing. When mixing and handling Paylean®, use protective clothing, impervious gloves, protective eye wear, and NIOSH approved dust mask. Operators should wash thoroughly with soap and water after handling. If accidental eye contact occurs, immediately rinse eyes thoroughly with water. If irritation persists, seek medical attention. The material safety data sheet contains more detailed occupational safety information. To report adverse effects, access medical information, or obtain additional product information, call 1-800-428-4441.

CAUTION: Ractopamine may increase the number of injured and/or fatigued pigs during marketing. Not for use in breeding swine. No increased benefit has been shown when ractopamine concentrations in the diet are greater than 4.5 g/ton.

POWER IN PERFORMANCE:

We know the best way to help you realize your dreams starts by employing a Winning Philosophy:

BETTER BREEDING

- Genetic Potential
- Selection
- Conformation
- Soundness

BETTER MANAGEMENT

- Cleanliness
- Showmanship
- Consistent Feed Times
- Daily Prep

BETTER FEEDING

- Consistent Intake
- Optimum Growth
- Body Condition
- Bloom & Finish

BETTER HEALTH

- Vaccination
- Proper Sanitation
- Health Program
- Veterinary Care
