*INGREDIENTS DIFFER BY MANUFACTURING PLANT.

NON-MEDICATED FEEDING DIRECTIONS:

Feed free choice to pre-weaned calves in creep feeders along with unlimited quantities of forage. Feed intake will vary depending on the size and age of the calf and forage quality.

Optimum intake is 4 to 6 pounds per head daily. If hand-fed offer 1% of body weight daily.

CAUTION:

DO NOT FEED TO SHEEP DUE TO HIGH LEVELS OF SUPPLEMENTAL COPPER. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death. USE ONLY AS DIRECTED.

IMPORTANT:

Follow these management practices: 1. This product is intended only to be fed to suckling calves. 2. This product is not intended to be used as a starter diet or with milk replacer. 3. For maximum intake control this product should be hand fed. 4. If using a creep feeder, make sure the feeder is in good working order. 5. Adjust the slide gate to control feed accumulation at the trough. 6. Troughs should be well protected and managed to prevent accumulation of fines, wet and moldy feed. 7. Provide adequate feeder space for each animal. 8. Provide mineral and salt free choice. 9. Provide fresh, clean water near the feeding area.

Available Options:

Product	Product No.	Active Drug Ingredient
RangeLand® Calf Creep 14	3002119	None
*RangeLand® Calf Creep 14 R40	3006838	Monensin
