

Flock Feed Greatness™ Challenge Checklist

FEED GREATNESS™

Over the next 90 days, you should notice several changes in your flock.

Changes May Include:

Date Change was Noticed:

Optimal eggshell quality

Rich, vibrant yolks

Shiny feathers

Better attitude

Strong eggshells

Feel free to write down when you noticed each change on this sheet as a reference. You may also notice that you are gathering more eggs each morning. Keep track of your new collection with the Egg Collection Tracking Form. Nothing is tastier than farm fresh eggs from your own backyard.

90 days will fly by – we hope you and your flock enjoy the Feed Greatness™ experience!
