

Purina® UltraCare® Complete Starter Feeds

Three complete diets to meet the needs of weaned pigs from 10 to 55 pounds.

Purina® UltraCare® complete starter feeds are formulated to support optimal growth through all nursery phases post-weaning.

Life Stage	Feed Type	Feed Format	Packaging
Starter	Complete	Pellet	Bulk, bag, tote*

*may vary by location

UltraCare® starter 1	weaned pigs 10–16 pounds
UltraCare® starter 2	weaned pigs 17–30 pounds
UltraCare® starter 3	weaned pigs 31–55 pounds

Great starts depend on early and consistent feed intake. Purina® UltraCare® complete starter feeds provide the nutrients pigs need for each production phase post-weaning, including:

- Lactose**
to minimize transition stress from sow’s milk to dry feed
- Enterid® feed additive***
to address intestinal challenges and support an optimal gut microbiome
- Intake-enhancing technology**
to increase palatability and help to create robust eaters
- Gut-optimizing technology**
to support gut health and digestive efficiency
- Organic selenium**
to optimize pig performance
- Yucca shidigera****
to support intestinal health and reduce ammonia levels in pig waste

* Enterid® feed additive is only included in UltraCare® complete starters 1 and 2.

** Yucca shidigera is only included in UltraCare® complete starters 2 and 3.

Purina® UltraCare® complete starter feeds provide weaned pigs the health and performance benefits of early, consistent feed intake.

Consistent feed intake supports immune system development during the weaning transition period, a time when pigs are exposed to multiple stressors and are particularly vulnerable to disease. **A healthy, well-developed gut functions as a barrier to disease** in the nursery and in subsequent production phases.

Robust feed intake is crucial for optimal growth post-weaning. End-of-nursery weights are a strong predictor of finishing weights. Research at the Purina Animal Nutrition Center indicates that every **1-pound difference at day 32 post-weaning correlates to a nearly 2.1-pound heavier pig at finishing.**¹
